LUGGAGE LIABILITIES

Metropolitan Touring Peru recommends that all of the guests arrive to Peru with their own travel insurance, and that it covers for lost luggage.

Metropolitan Touring Peru cannot be held responsible for:

- Baggage lost or delayed during international or domestic flights
- Lost carry-on items, hand bags, or personal articles
- Items forgotten by guests at hotels, vehicles or venues, or during tours

We recommend our guests not to include any valuable items in their checked baggage during land transfers, since our liability is limited to 350 US dollars per piece of luggage.

In case a piece of luggage is lost during a land transfer provided by Metropolitan Touring Peru:

- A period of 30 days will be required to pursue an investigation, before the piece of luggage is considered officially lost
- During this 30 day period, the collaboration of the affected guest is expected as it may be needed

- Any compensation for lost luggage has to be transferred directly to the guest's bank account

Independently of Metropolitan Touring Peru's responsibility or not, we will always do our best to locate any lost items or luggage. If found, Metropolitan Touring Peru can coordinate any necessary shipping arrangements to the address provided by the owner, after any shipping charges have been accepted by the owner should these be generated.

SPECIAL TERMS AND CONDITIONS FOR INCA TRAIL POLICIES

According to the Resolution #002-2004-UGM-CD, published in El Peruano on Nov 12, 2004, modifying chapter III of the Inca Trail Regulation which refers to Inca Trail space bookings, bookings will only be guaranteed by the governmental institutions when providing full names, nationality and passport number of each passenger and, once having paid the full amount of entrance fees for passengers and trekking staff (cook and team of porters); this will be considered as a deposit and is NON REFUNDABLE.

Therefore, Metropolitan Touring Peru will only be able to guarantee the spaces booked provided the following conditions are met:

1. Space availability on the Inca Trail for the requested date has been first confirmed to our Reservations Department via e-mail by the corresponding trekking provider/supplier
2. Full passenger data has been provided and the required deposit has been paid

Note: As the Inca Trail has a maximum allowance of 500 people per day (including passengers and trekking operator staff), Metropolitan Touring Peru strongly recommends that bookings are made as much in advance as possible in order to increase the chances of availability on the desired traveling date. Should it not be possible to obtain spaces on the Inca Trail, Metropolitan Touring Peru has other amazing alternative trekking routes and excursions to offer.

VERY IMPORTANT: The following client information is mandatory for any Inca Trail bookings:

- Complete names and surname(s)
- Nationality
- **Scanned copy of picture page of passport**
- Date of Birth
- Gender
- Dietary restrictions, if any

The exact information provided will be submitted to the governmental institution in charge of regulating the access to the Inca Trail and will be included in the official permit to enter the Inca Trail on the requested date. Should there be any change in the above mentioned data (i.e. new passport number), we kindly request you to inform us via email as soon as possible. The governmental institution reserves the right not to allow entry to any visitor whose data is not exactly the same as the one shown in the official permit. Metropolitan Touring Peru excludes any responsibility for a no-entry in case the passenger information has changed without proper prior notification.

LIABILITY CLAUSE:

Metropolitan Touring shall not be held liable for any injury, death, loss, delay, inconvenience, damage to personal property in connection with the provision of any goods or services whether resulting from, but not limited to, acts of God or force majeure, illness, disease, government restrictions, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

Metropolitan Touring is not responsible for error or omission of any suppliers (such as accommodation or transportation companies). We shall not be held responsible for lack of availability in hotels, lodges, refuges, and/or camps requested by the client. In such cases we will try to place the client in alternative accommodation of the same level, without taking any responsibility for the client's lack of satisfaction with the alternative accommodations. Our programs do not include travel insurance.

We strongly recommend that you purchase a medical and travel insurance policy in your home country that covers any cost of cancellation before or during the trip, accidents, and loss of luggage. We insist on the fact that in case of accident, we bear no responsibility for medical expenses or expenses of any other kind. It is the responsibility of the participant to contract medical and travel insurance before departure that covers all such eventualities. If the participant does not contract insurance, we can, at clients' expenses, arrange medical treatment or emergency evacuation service if deemed essential for clients' safety.

We are not responsible in case of loss or theft of luggage or personal belongings (refer to the Luggage Liability clause above for details).

Metropolitan Touring reserves the right to withdraw, alter or otherwise modify any trips, itineraries, specific programs or activities when it is deemed necessary or to your advantage.

Metropolitan Touring reserves the right to modify booking procedures, terms and conditions and/or program prices at any time without notice.

Metropolitan Touring reserves the right to take photographic or film records on any trips we have arranged/organized, and to use such photographic or film records for promotional and/or commercial purposes.
