

**Metropolitan Touring
Preferred Hotels
2017**

A photograph of a modern Westin hotel building at dusk. The building features a prominent cylindrical glass tower on the right side, which is illuminated from within, casting a warm glow. The main rectangular part of the building has a grid of windows, many of which are lit up. The sky is a deep blue, and the overall scene is a mix of natural twilight and artificial city lights.

An aerial photograph of Lima, Peru, showing a coastal highway, cliffs, and buildings. The sky is overcast with some light clouds. The highway is a multi-lane road with white dashed lines, and there are several cars visible. The cliffs are steep and brown, with some green vegetation on top. The buildings are modern and multi-story, with various colors. The ocean is visible on the right side of the image, with waves breaking on the shore. The overall scene is a mix of urban development and natural coastal features.

A scenic photograph of a sunset over a beach. The sun is low on the horizon, creating a bright orange glow that reflects on the wet sand and the calm water. The sky is filled with dark, dramatic clouds, some of which are illuminated from below by the setting sun, creating a mix of deep blues, greys, and warm oranges. The foreground shows the dark silhouette of a rocky coastline on the left and the smooth, dark sand of the beach leading to the water's edge.
