A sloth is hanging from a tree branch in a lush green forest. The sloth is the central focus, with its long, shaggy fur and long limbs clearly visible. The background is filled with dense green foliage and tree branches, creating a natural and serene environment. The text is overlaid on the sloth's body.

Metropolitan Touring Peru's Must See Destinations

Amazon Cruises Iquitos

Amazon River

- Covering almost 4 million square kms, the Amazon basin is one of the world's largest and nature densest areas, with more than 2,500 fish species, 1500 bird species and 50,000 species of plants, and more being discovered every day.
 - Similar to an African safari experience or an expedition to Galapagos
 - Cater to travelers who look for new adventures and naturalist expeditions.
 - An Amazon cruise is a great complement for existing travel packages in Peru.

Amazon River

The Amazon is the most abundant river in the world because of many reasons:

- The volume of water it carries to the sea: approximately 20% of all the fresh water discharged into the oceans.
- The area of land that drains into it.
- Its length and width.
- It is home to many other wonders of the natural world like the catfish, the Anaconda or the piranhas.

Pacaya Samiria National Reserve

Pacaya Samiria National Reserve

- The biggest of all Peru's many national reserves, the Pacaya Samiria covers 21,000 square kilometers / 8,100 square miles.
- Just over 40,000 people currently call the Pacaya Samiria their home
- Tourists regularly choose to visit the plentiful attractions of the reserve both on land and in the water
- Facts:
 - Protected area
 - Flooded forest
 - Limited access
 - Outstanding flora and fauna
 - The world's most diverse ecosystem

M/V Zafiro – Amazon Cruise

Zafiro is predominantly characterized with white steel and wood, adorned with large windows that softly integrate the Amazon landscape with boat. This creates an incredible visual effect, which places you right in the middle of the Amazon. The design of the ship is inspired by the era of the first expeditions to this area. Just as in the movie "Fitzcarraldo", combined with contemporary furnishings and finishes. The vintage items add an elegant touch of history and do not make the space lose modernity and elegance.
