# Star Peru Fleet

Star Peru works with a Bae 146 british manufacturing airship fleet, ideal for the peruvian geography. Due to its configuration and benefitis, it becomes in an ideal ship for the routes and peruvian airports, known for its difficult geography.

The BAe its well known for its one of the most silent ships of the market and ecofriendly.

Besides, Star Peru has started the renovation and modernization of the Canadian manufacturing airship fleet, Bombardier CRJ200.
